

## ContainerPower Energy Solutions

# 305 solar Panel Price

## Overview

---

305W panels are largely obsolete for new installations: With most manufacturers discontinuing production in favor of 400-700W alternatives, these panels now cost \$0.30-0.50 per watt compared to \$0.25-0.35 per watt for modern 400W+ panels, making them economically disadvantageous.
