

ContainerPower Energy Solutions

A solar curtain wall company under construction in Montenegro

Overview

Where is Res Montenegro planning a solar project?

A section would be placed in the cadastral municipality of Lastva, which RES Montenegro Group is also eyeing for its own project. Sunrise Europe, based in the seaside town of Kotor, intends to set up a solar park with a peak capacity of 220 MW in Šavnik while the company Obnovljivi izvori energije is preparing to build a 225 MW facility in Cetinje.

What is the largest solar power plant in Montenegro?

The project launched by the firm based in Podgorica is therefore the largest in Montenegro in the sector and also one of the biggest ones in the Balkans. The peak or nameplate capacity of a solar power plant is the maximum production in terms of direct current and it is usually 20% or so bigger than the grid connection capacity.

Will Montenegro build a photovoltaic park?

The Government of Montenegro issued the urban planning and technical requirements for the construction of a photovoltaic park at seven locations in Lastva and Ubli near the country's historic capital of Cetinje. RES Montenegro Group has determined that the potential connection capacity is 506 MW and estimated the annual output at up to 750 GWh.

Did Montenegro lower the value-added tax for solar panels?

Montenegro recently lowered the value-added tax for solar panels. EPCG has a program called Solari for rooftop solar panels for households and companies. RES Montenegro Group got the urban planning and technical requirements for a photovoltaic system with a connection capacity of up to 506 MW.

What is photovoltaic curtain wall?

Photovoltaic Curtain Wall generates energy in the building implementing solar control by filtering effect, avoiding infrared and UV irradiation to the interior.

How big is Res Montenegro?

RES Montenegro Group has determined that the potential connection capacity is 506 MW and estimated the annual output at up to 750 GWh. The project launched by the firm based in Podgorica is therefore the largest in Montenegro in the sector and also one of the biggest ones in the Balkans.
