

ContainerPower Energy Solutions

Danish monocrystalline solar panel production company

Overview

Who is Danish Sun energy?

Today, DANISH SUN ENERGY is a leading system solution provider and specialists within the renewable energy sector, especially within PV Solar Plants. Financial Management. DANISH SUN ENERGY is headquartered in Noerresundby, Aalborg, Denmark and has a development/engineering team in Denmark, Kenya, Latvia, Lithuania and Spain.

Who is dansolar?

DanSolar offers complete solar energy solutions in Denmark and abroad. DanSolar is a Danish-owned company founded in 2006. With DanSolar, you get a strong and highly experienced solar cell supplier.

Should Denmark be independent of fossil energy sources?

In the long term, Denmark must be independent of fossil energy sources, and since the operation of buildings accounts for approx. 40% of the total energy consumption in Denmark, it is necessary to have a tight but realistic strategy for both new construction and energy renovation of existing buildings.

What is the most beautiful PV system in Copenhagen?

UN city complex, hailed as a Star in Copenhagen's harbor was completed in 2014. We're proud to deliver the PV systems installed on the top of building. This project was awarded at the Intersolar 2014 as "the most beautiful PV system since 2002".

Who can buy and sell solar panels?

With DanSolar, you get a strong and highly experienced solar cell supplier. In principle, anyone can buy and sell solar panels, but only a few can configure systems like DanSolar and offer turnkey contracts in connection with the design, setup, assembly and installation of both ordinary systems and solar parks.

Who are DSE solar components distributors?

DSE is the official distributor for some of the well known solar components producers like Fronius, ABB, Steca, MorningStar, Grundfoss, Victron Energy, Hoppecke etc. Based on our in-depth PV technology knowledge and insight in the solar components market, we are capable of selecting the right quality products without any compromise.
