# Energy storage lithium battery installation

 **TAX FREE**    

## ENERGY STORAGE SYSTEM

**Product Model**  
HJ-ESS-215A(100KW/215KWh)  
HJ-ESS-115A(50KW 115KWh)

**Dimensions**  
1600\*1280\*2200mm  
1600\*1200\*2000mm

**Rated Battery Capacity**  
215KWH/115KWH

**Battery Cooling Method**  
Air Cooled/Liquid Cooled

The diagram shows a vertical rectangular ESS unit with a grey front panel and a black top and bottom. Two vertical green lines run down the center. A central blue hexagonal shape contains a black lightning bolt symbol. The letters 'ESS' are printed in green in the upper right corner. Two yellow lightning bolt warning symbols are located at the bottom corners of the unit.
