

ContainerPower Energy Solutions

Hungarian all-vanadium redox flow battery manufacturer

Overview

The company produces industry-preferred vanadium products, such as vanadium pentoxide flakes and vanadium pentoxide powder that are ideal for use in master alloying, catalyst and steel applications.

VRB Energy is a fast-growing clean technology innovator that has commercialized the largest vanadium flow battery on the market, the VRB-ESS[®], certified to UL1973 product safety standards.
