Namibia Power and Signal Base Station

Overview

What is Namibia's New Power Station?

Never miss a beat on tech, startups, and business news from across Africa with the best of journalism. Namibia's state-owned utility, NamPower, has completed the 54-megawatt (MW) Anixas II Power Station, set to be inaugurated on February 21 in Walvis Bay to enhance the country's electricity supply.

How many power stations does Namibia have?

NamPower has four power stations: Currently, Namibia imports most of its electricity from South Africa and other countries in the region. A special arrangement between NamPower and Eskom, the South African Power utility, enables Namibia to buy and utilise the surplus energy from SA at affordable rates.

What's happening at Namibia's anixas II power station?

Every day, we handpick the biggest stories, skip the noise, and bring you a fun digest you can trust. Namibia's state-owned utility, NamPower, has completed the 54-megawatt (MW) Anixas II Power Station, set to be inaugurated on February 21 in Walvis Bay to enhance the country's electricity supply.

Why is NamPower launching a new power station?

NamPower stated that the new facility aims to provide reliable and dispatchable electricity to the national grid, supporting the country's energy needs and improving security of supply. The station is also expected to assist in managing the variability of renewable energy sources by providing backup generation when needed.

Should NamPower and Namibia look at alternative power sources?

NamPower and Namibia are left with no option but to look at alternative power generation sources. The alternatives that are receiving renewed focus are the

Kudu Gas-to-Power Project and the Epupa Baynes.

Why does Namibia invest in domestic power generation infrastructure?

By investing in domestic power generation infrastructure, Namibia aims to create a more resilient energy system capable of supporting economic growth and improving the quality of life for its citizens. Never miss a beat on tech, startups, and business news from across Africa with the best of journalism.
