

## ContainerPower Energy Solutions

# New Zealand power station energy storage equipment manufacturer

### DISTRIBUTED PV GENERATION + ESS

## Overview

---

Where is the largest thermal power station in New Zealand?

The Huntly Power Station, New Zealand's largest thermal power station. Image: Saft. Saft, a subsidiary of French energy giant TotalEnergies, will provide Genesis Energy in New Zealand with a 100MW/200MWh utility-scale battery energy storage system (BESS).

Which energy company is building New Zealand's first grid-connected battery energy storage system?

Meridian Energy is building New Zealand's first large-scale grid-connected battery energy storage system (BESS) at Ruakākā on North Island. Paris, January 10, 2023 – Saft, a subsidiary of TotalEnergies, has been awarded a major contract by Meridian Energy to construct New Zealand's first large-scale grid-connected BESS.

What is a battery energy storage system?

Battery Energy Storage Systems (BESS) - Infratec New Zealand Limited. Battery Energy Storage Systems (BESS) are becoming a fundamental part of the network and transmission infrastructure globally. BESS systems allow for increased penetration of intermittent renewable generation, which complements the global transition to zero carbon generation.

What is the largest power station in New Zealand?

Huntly Power Station is the largest thermal power station in New Zealand, with a generation capacity of 1,200MW, making it the country's single largest electricity generation site. According to Saft, the power station plays an important role in the country's electricity market.

Will Saft provide Genesis Energy in New Zealand?

Saft will provide Genesis Energy in New Zealand with a 100MW/200MWh utility-scale battery energy storage system (BESS).

Where is the largest solar power plant in New Zealand?

The construction of the Huntly BESS follows Genesis Energy's recent launch of what it claims is the country's largest solar PV power plant: the 63MWp Lauriston site, located west of Christchurch on the South Island, near the Rakaia River in the Canterbury Plains.
