

ContainerPower Energy Solutions

Niue full-factor portable energy storage power supplier

Overview

Who is niuess?

NIUESS has 20 years of experience as battery storage manufacturer, equipped with professional energy storage engineers. Leading portable power station manufacturers.

How did New Zealand support Niue's battery energy storage system?

In addition to Australia's support, the New Zealand Government contributed \$2.5 million to relocate and restore Niue's Battery Energy Storage System (BESS). This funding has allowed the Ministry to repair the grid control system, procure necessary fuel tanks, and install cabling and connections.

What types of energy storage systems can niuess provide?

For residential use, we can provide integrated and stacked home storage systems with capacities of 5 kWh to 30 kWh. For large-scale industrial and commercial energy storage projects, we also have container energy storage cabinets and distributed storage cabinets. As a energy storage company, NIUESS is a reliable choice for customers.

Who is niuess energy storage company?

Being known as an energy storage company, NIUESS has adhered to independent R&D, design, production and sales since its establishment. We manufacture different types of energy storage devices and export them all over the world. We have been committed to realizing the beautiful vision of "green technology, better life".

Why should you choose niuess as a energy storage company?

As a energy storage company, NIUESS is a reliable choice for customers. We not only gives catalog products but also offers customization, whether it is a simple cosmetic adjustment or an overall product modification.

What does the Minister of infrastructure say about Niue's New Power Station?

The Minister of Infrastructure, Hon. Crossley Tatui extended his appreciation to the Australian and New Zealand Governments, saying, “The construction of this new power station is a vital piece of infrastructure for Niue’s development and well-being. This achievement would not have been possible without the support of our regional partners.”
