

## ContainerPower Energy Solutions

# Norway 75kw high-quality inverter manufacturer

- ✓ **ALL IN ONE**
- ✓ **100Kw/174Kwh  
High Capacity**
- ✓ **Intelligent  
Integration**

## Overview

---

We offer a comprehensive range of high-quality products, all readily available from our extensive stocks in Spikkestad, Norway! Trust us to provide everything you need for your next project.

The company, Giertsen Energy Solutions, specializes in providing high-quality solar-powered solutions, including all-in-one solar and storage kits for residential homeowners. Their focus on efficient and reliable solar power generation and storage ensures energy independence and cost-effective.

Introducing the S6-EH3P (75-125)K10-NV-YD-H Series, High-voltage, three-phase energy storage for commercial applications. This advanced inverter series boasts a maximum charge/discharge current of 100A + 100A across two independently controlled battery ports. It features 10 integrated MPPTs, each.

As per the Volza's Norway Inverters Exporters & Suppliers directory, there are 17 active Inverters Exporters in Norway exporting to 21 Buyers. These facts are updated till 15-May-2025, and are based on Volza's Norway Exporters & Suppliers directory of Inverters, sourced from 90+ countries with.

Norway is situated far north of the globe meaning it does not receive as much sunlight as most nations. A significant proportion of the country's energy stems from hydro. Still, it has made huge strides in adopting solar energy even though its lunar resources are limited. According to a recent.

75 kW (100 hp) 3 phase inverter with IP20 enclosure rating, output voltage 3 phase AC 0~input voltage, and Input voltage 3 phase 230V /400V /460V AC

$\pm 15\%$ . The high frequency inverter with sensorless vector control can work at (-10°C, 40°C). Equipped with forced air cooling and RS485 communication.
