Poland lithium iron phosphate battery energy storage

Overview

Who will supply ESS batteries in Poland?

The contractor on the project will be LG Energy Solution Wrocław. The Polish unit of the Korean battery maker won the project tender offering the price of PLN 1.555 billion (\$384 million). On Monday, LG Energy Solution confirmed that it had signed an agreement with PGE to supply 981MWh of grid-scale ESS batteries between 2026 and 2027.

Will LG supply lithium iron phosphate (LFP) batteries for ESS?

Courtesy of LG Energy Solution LG Energy Solution plans to supply lithium iron phosphate (LFP) batteries for ESS produced at its Wrocław plant starting in 2026.

What is the largest battery energy storage facility in Poland?

With a power output of 262 MW and a storage capacity of around 981 MWh, the facility will be by far the largest battery energy storage facility in Poland and one of the largest in Europe. The contractor on the project will be LG Energy Solution Wrocław.

Where are lges lithium phosphate batteries made?

LGES will supply lithium iron phosphate (LFP) batteries for the 1-gigawatt-hour (GWh) ESS facility set to start operations in 2027 by Poland's state-run utility firm Polska Grupa Energetyczna (PGE), the company said in a press release. The LFP batteries will be produced at LGES' plant in Poland's southwestern city of Wrocław, it said.

What is the Zarnowiec battery energy storage project?

One of these will be the 981 MWh Zarnowiec battery energy storage project, which will be supplied with locally produced LG Energy Solution's grid-scale systems. PGE Group has laid down ambitious plans for energy storage deployment over the next ten years.

Will PGE supply ESS batteries in 2026?

On Monday, LG Energy Solution confirmed that it had signed an agreement with PGE to supply 981MWh of grid-scale ESS batteries between 2026 and 2027. It also noted that the project will be supplied with locally manufactured grid-scale lithium iron phosphate batteries at LG Energy Solution's production facility in Poland.
