## Overview

---

When will a battery energy storage system start in Senegal?

Construction of the battery energy storage system is expected to commence in early 2024 at the Tobène substation in Thies and is expected to become operational in 2025. Once complete, it will be one of the largest of its kind in West Africa, and will help Senegal to avoid approximately 37,000 tonnes of carbon dioxide emissions each year.

Is a solar energy project in Senegal the biggest in West Africa?

Work on a solar energy and battery storage project in Senegal, touted to be the biggest in West Africa once it goes live, is set to begin next month after an EPC (Engineering, Procurement and Construction) contract for its development was recently signed. The Kolda project will encompass a 60MWp PV solar plant coupled with a 90MWh storage system.

Why is battery storage important in Senegal?

Battery storage offers incredible opportunities for Senegal to reap the benefits of renewables, while ensuring people get a secure, reliable supply of energy. We are excited to begin a promising new chapter in Senegal and further strengthen our work in the renewable energy sector.”.

Where is a Bess project being built in Senegal?

The BESS is to be built at the Tobène substation in Thies, Senegal. It will be operated by Infinity Power’s 158.7 MW wind farm in Senegal, Parc Eolien Taiba N’Diaye (PETN).

Could this be the largest Bess in Senegal?

Although not claimed, the project could be the largest BESS in Senegal when it comes online. There have been various reports about a 160-175MWh BESS co-located with a wind farm, for which a feasibility study was announced in 2021, but no firm project announcement has come since.

Could Bokhol be the largest Bess in Senegal?

The project, in Bokhol near the border with Mauritania, will increase the current spinning reserve by 40%, Africa REN said, and will also provide services like island operation and black-start capabilities. Although not claimed, the project could be the largest BESS in Senegal when it comes online.
