

ContainerPower Energy Solutions

Solar all-in-one home solar indoor

Overview

Does your home need a solar energy backup system?

Having a reliable solar energy storage backup for your home is critical. However, not all backup systems are created equal. Sol-Ark's 15K-2P Whole Home hybrid inverter is a breakthrough in home power protection that redefines adaptability, flexibility, and performance.

What is a Sol-Ark 15K whole home inverter?

The Sol-Ark 15K Whole Home inverter is designed to transition seamlessly between grid- connected and independent power sources, optimizing efficiency in real-time.

What is an all-in-one hybrid inverter?

An all-in-one hybrid inverter design streamlines solar energy systems by combining multiple components into a single unit, enhancing efficiency, simplifying installation, reducing overall costs, and providing seamless energy management and backup power capabilities in one integrated solution.

What is a Sol-Ark 15K whole home?

Whether you're preparing your home for emergencies, sailing the high seas, or powering a hunting cabin, the Sol-Ark 15K Whole Home offers flexibility and adaptability, poised to become the standard for grid-tied or off- grid backup.

Why should you buy a solar system?

Flexible financing and low monthly lease options can help you secure the best price for your solar system. By installing solar panels, you can also reduce your reliance on traditional energy sources. Power your home with emissions-free, renewable energy directly from the sun.

What is a solar kit?

Our solar kits make it easy to power your home, cabin, RV, or shop, no matter how you live. Whether you're staying off the grid, staying connected, or doing a mix of both, we've got you covered. Each kit includes high-quality solar panels and the key components to get started, with room to customize as you grow. Prefer to use your own panels?
