

## ContainerPower Energy Solutions

# Thailand lithium battery pack source manufacturer

## Overview

---

Amita Technology (Thailand) Co.,Ltd., a subsidiary company of Energy Absolute PCL, has started a plant producing lithium-ion batteries and a cutting-edge integrated energy storage system. Within the ASEAN region, it possesses the greatest production capacity.

Amita Technology (Thailand) Co.,Ltd., a subsidiary company of Energy Absolute PCL, has started a plant producing lithium-ion batteries and a cutting-edge integrated energy storage system. Within the ASEAN region, it possesses the greatest production capacity.

As the global shift toward clean energy accelerates, Thailand is emerging as a key player in the lithium-ion battery market, driven by its strategic position in Southeast Asia's electric vehicle (EV) and renewable energy boom. According to industry forecasts, the global lithium-ion battery market.

Amita Technology (Thailand) Co.,Ltd., a subsidiary company of Energy Absolute PCL, has started a plant producing lithium-ion batteries and a cutting-edge integrated energy storage system. Within the ASEAN region, it possesses the greatest production capacity. Encourage Thailand to lead the way in.

Amita Technology, a local Thai company and the first lithium-ion battery gigafactory in ASEAN, is committed to completing Thailand's electric vehicle (EV) ecosystem by developing battery manufacturing from upstream to downstream. This aligns with the Thai government's policy of strengthening the EV.

The company, Greenline Synergy Company Limited, is a healthcare IT solutions provider that focuses on delivering secure and efficient IT environments for healthcare institutions. Their services include various healthcare information systems and software development aimed at enhancing digital.

Thailand has emerged as a key player in the global lithium-ion battery market, with its strategic location, supportive government policies, and robust industrial infrastructure. In this article, we delve into the top lithium-ion

battery manufacturers in Thailand for the year 2024, highlighting.

According to Volza's Lithium Battery export data of Thailand, there are a total of 71 Lithium Battery Suppliers in Thailand, exporting to 87 buyers globally. In the period from Nov 2023 to Oct 2024, 41 suppliers were active, with ASIAN HONDA MOTOR CO LTD, NISSAN MOTOR THAILAND CO LTD, and MERRY.
