Zambia solar Energy Storage Distribution Plant

Overview

Turkey's YEO is partnering with Zambian sustainable energy company GEI Power to develop a 60 MW/20 MWh solar plant with battery storage in Choma district, southern Zambia. The facility has been touted as Zambia's first solar plant with battery storage.

Turkey's YEO is partnering with Zambian sustainable energy company GEI Power to develop a 60 MW/20 MWh solar plant with battery storage in Choma district, southern Zambia. The facility has been touted as Zambia's first solar plant with battery storage.

The project, said to be the largest grid-connected solar facility in Zambia and the biggest of its kind in sub-Saharan Africa excepting South Africa, cost \$100 million and is now ready to be commissioned. Every day, we handpick the biggest stories, skip the noise, and bring you a fun digest you can.

Turkish developer YEO and Zambian sustainable energy company are constructing a 60 MW solar plant with a 20 MWh battery energy storage system in southern Zambia. Turkey's YEO is partnering with Zambian sustainable energy company GEI Power to develop a 60 MW/20 MWh solar plant with battery storage.

June 25, 2025 - Deep in Southern Zambia, the town of Choma is now home to a groundbreaking clean energy project. The newly inaugurated Choma Solar plant, combining 60 MW of solar capacity with 20 MWh of battery storage, marks . June 25, 2025 - Deep in Southern Zambia, the town of Choma is now home.

ZESCO Commissions a 110MW Capacity Solar Plant in Serenje SERENJE, Central Province — Zambia's transition to renewable energy has taken a major leap forward with the commissioning of the first phase of the Mailo Solar Photovoltaic Power Plant, jointly implemented by ZESCO Limited and Solar Century.

Zambia is ramping up its renewable energy project pipeline - with at least two major solar projects set to be commissioned this year alongside smaller

capacity facilities and another significant plant set for launch in 2026. The Zambia Electricity Supply Corporation (ZESCO) reported recently that.

Monthly distribution of PV production in Zambia The German Energy Solutions Initiative, coordinated and financed by the German Federal Ministry for Economic Affairs and Climate Action (BMWK), aims to globalise German and European technologies and expertise in climate-friendly energy solutions.
